And the victims of September 11, 2001

A couple of reminders...

While in the sanctuary, men are asked to cover their heads at all times; women ascending the bima (pulpit) are required to wear an appropriate head covering.

For your convenience, childcare is available each Shabbat for children birth to 7.

We welcome children at all times in our synagogue, however we ask parents to make sure their children behave courteously, refrain from eating in the sanctuary, walking on the pew seats, and bringing writing instruments of any kind into the building on Shabbat. Your cooperation is very much appreciated. We request that everyone make every effort to keep the facility looking clean and well maintained.

We have a “**hearing assistance**” system available to those who may need to use it. A headphone and transmitter are available for you to use. Please see one of the Shabbat Hosts.

Please turn off all cell phones and pagers before entering the building.

If you are visiting our synagogue and have an interest in membership, please contact our Executive Director, Barbara Goldstein at 216.765.8300 x101 for more information.

Welcome to Congregation Shaarey Tikvah

HELP NEEDED FOR MITZVAH CORPS!

The Mitzvah Corps' mission is to support our CST community/family, to help bind young and old through loving, responsible acts of kindness, and to set an example for our "future adults" of "chesed."

There is an urgent need for team members to head these areas and/or volunteer to provide the following: 1) Visits to seniors living in Assisted Living or Residential Homes, 2) Transportation of seniors to Synagogue, and 3) Delivery of mitzvah food trays. **Please call Shirley Hoffman at 440-729-9975.**
