Berg caught and fielded in the major leagues during baseball's Golden Age in the 1920s and 1930s. But very few people know that Berg also worked for the Office of Strategic Services (OSS), spying in Europe and playing a prominent role in America's efforts to undermine the German atomic bomb program during WWII. *The Spy Behind Home Plate* reveals the life of this unknown Jewish hero through rare historical footage and photographs as well as revealing contemporary and past interviews with an All-Star roster of celebrities and other individuals from the worlds of sports, spycraft, and WWII history.
